學生宿舍整潔競賽

**Dormitory Cleanliness Competition
at I-Shou University**

評分重點

Grading Criteria

- 書架、衣櫃清的淨空不代表「整齊清潔」，擺設整齊、打掃乾淨才是重點。
- To empty bookshelves or closets doesn't mean the room is neat and tidy. The focus of a cleanliness inspection lies in that everything in the room is placed neatly and the room is properly cleaned.
- 請進入寢室針對書桌、床、門窗、地板、衣櫥、浴廁六大項目確實評等。
- The major items for a cleanliness inspection include desk, bed, door and windows, floor, closet, and bathroom.

評分重點

Grading Criteria

- 檢查時應配合師長接受檢查，凡有睡覺、態度不佳或拒檢時，均列入「未評審狀況」，要求複檢。
- On the designated date of inspection, dorm residents should fully cooperate with judges. If a dorm resident sleeps during the inspection, has a bad attitude, or refuses to accept the inspection, the room where he/she lives will be registered as "Not Inspected" and a recheck is required.
- 有意願爭取優勝寢室，可告知評審老師並**主動開啟衣櫃、抽屜、鞋櫃、床櫃等皆可加分**。
- Dorm residents who wish to win the competition may inform judges and **proactively open wardrobes, drawers, shoe cabinets, and bedside tables to earn extra points.**
